4th Annual Summer Jazz Camp for the Lee’s Summit R7 School District!

Spend a week playing jazz! Improve your skills! Learn to improvise! Have Fun!

The 4th annual “Summit Swings” Jazz Camp

The “Summit Swings” Jazz Camp will be an excellent opportunity for students to have fun playing in a jazz group with other students from around the district. In addition to forming standard big bands like you’ll find in our high schools and middle schools, the students will also get a chance to work in smaller groups called combos.

While working in the small group setting, students will have a chance to improve their

skills in improvisation. Students will be working with talented jazz instructors from our district and around the Kansas City area. The goal is for everyone to succeed!

In addition to rehearsing and playing, students will get a chance to listen to jazz recordings and study some of the theory behind improvised jazz solos.

The camp fee is \$65 per student. Please feel free to contact Shawn Harrel if you have any questions (see below).

If you would like to attend, please complete the bottom of this page and return it to your director with payment and completed health form (available at
